

“Happy Hopping” music and lyrics by Tom Frazee & Nancy Roché
Recorded at Admagination Creative Services
Performed by Gail Bonine

Spoken: “Happy? I know what makes ME happy. It’s my HOP!”

I don’t like planes or trains or riding a bike.
I don’t go swimming, driving, taking a hike.
I’m happy hopping, happy hopping around
Happy Hopping is what I like!

I don’t go roller blading, skateboarding too
But let me race ya I’ll be there before you!
I’m happy hopping, happy hopping around
Happy Hopping happy hopping is what I do.

I’m graceful as a ballerina dancing
Lighter than a butterfly with wings
I’m happy, I’m hopping
I’m hopping, happy hopping
Happy hopping is what I do!
