

“Shake Your South Side” music & lyrics by Tom Frazee & Nancy Roché

Recorded at Admagination Creative Services

Sung by Tommy Collins

Spoken:

“Ssssad? I’ve got Ssssomething that’ll ssssave the sssituation.
Check out my rattle!”

Snakes.

Seek solitary space

Savoring the shake

While sliding from the battle.

Serpents.

Send shivers straight to spine

Such specialized surprise

So you shall skit-skedaddle.

SHAKE YOUR SOUTH SIDE

“Oh, makes me feel so happy!”

Snakes.

Show shaking satisfaction

Rattlin’ and scratchin’

Such smooth and silky hide.

SHAKE YOUR SOUTH SIDE

“That’s what makes ME happy”

SHAKE YOUR SOUTH SIDE

“I’m such a smiley snake”
