

“How Long” - music and lyrics by Tom Frazee & Nancy Roché | Performed by Nancy Roché | from the album  
“Good Love”

Verse:

Well I try to understand  
I try to find a sign  
But I just don't know  
Which way you're gonna go.

I thought time would make a change  
And our love would come around  
And in our souls we'd grow to find  
A common ground.

Climb (pre-chorus):

But now you're not quite so sure and I'm confused and insecure  
And all I know is that I miss you when you're gone.

Chorus:

How long, how long, how long will it take (how long)  
Oooo I miss the love we make  
How long, How long, How long will it take (how long)  
How long now?

Verse:

You said no one is to blame  
And that love just fades away  
But I can't believe  
That's how it's gotta be.

It's my heart you're speakin' to  
Not some stranger in a game  
If you search your soul I know you'll find  
You feel the same.

Climb (pre-chorus)

So don't put our love on trial and say it's only for a while  
Until you sort out what is right from what is wrong

Chorus:

How long, how long, how long will it take (how long)  
Oooo I miss the love we make  
How long, how long, how long will it take (how long)  
'til you're in my arms again baby, ooo

Bridge:

And my heart still races whenever I see you baby  
You still take me place, ah oooo  
With a stroke of sensuality  
I can't ignore when you're with me
