Howl at the Silvery Moon:

Si Mi amore es muy linda (If my love is very cute)  
Pero tiene cabeza muy loca (But I have a very crazy head)  
What’s a coyote to do, but?  
Howl at the silvery moon?  
    Aye, aye, aye - What’s a coyote to do?  
    Aye, aye, aye – Howl at the silvery moon (howl)

Tango mucho coyote amigos (Dance much [with my] coyote friends)  
All chasin’ the rabbit where he goes  
And when the day is through  
We howl at the silvery moon.

*“When I’m feeling down, ha hoy!  
I just tip my head back and howl!” (howl)*

When el sol is muy caliente (When the sun is very hot)  
Coyotes siesta the whole day.  
There’s nothin’ that we’d rather do  
Than howl at the silvery moon  
    Aye, aye, aye - What’s a coyote to do?  
    Aye, aye, aye – Howl at the silvery moon (howl)

*“You want to be happy?  
Howl at the silvery moon!” (howl)*
